

Radiant Salon Highlights

Industry	Personal Services
Sector	Professional Hair Care Salon
Unique Features	The Radiant Salon is unique to the salon industry in that it offers a spa style ‘experience lounge’ where clients can enjoy small luxury treatments as extras. These treatments are under 15 minutes and designed to enhance the visitors experience at the salon. The Radiant Salon will feature a menu of services and hair care treatments designed to improve healthy hair and be a leader in defining style and service.
Geographic Location	Salon to be established in downtown Vancouver BC Canada.
Market	Personal care services including hair salons are a \$4.2 Billion business in Canada according to recent figures from Statscan. Salons in British Columbia recorded the second fastest annual growth in revenue of all Canada with an overall increase of profit margins to 10.7% from 9.7% according to StatsCan.
Capital Requirements	\$180,000 to be repaid with 15% annual interest in two years.
Use of Proceeds	To build and launch the salon including lease, improvements, equipment, General and Administration, website, and marketing.
Management Projections	Management projects that The Radiant Salon will garner revenues of over \$600,000 after three years of operation.
